

JOB DESCRIPTION

Title: Mental Health Therapist (Family Specialist)
Status: Part-Time/20 hours per week
Program/Department: CYF Division
Immediate Supervisor: Lead Family Specialist

Summary of Position Responsibilities:

The Family Specialists provide direct therapeutic interventions, agency consultation, and social service advocacy with the purpose of promoting optimal emotional health and behavioral functioning in African American families who are at high risk for failure and chronic maladjustment.

Qualifications:

- 1) Master's degree in Psychology, Social Work, or other related field.
- 2) Demonstrated ability in working with children and youth providing mental health, substance abuse, and case management services.
- 3) Familiarity with an ethnically, culturally, and psychiatrically diverse client population.
- 4) Demonstrate knowledge of and experience with implementing afro-centric treatment interventions.
- 5) Ability to function as an advocate for clients and a consultant to other agencies (i.e. school district) in client related matters.
- 6) Familiarity with the Community Behavioral Health System of Care is preferred.
- 7) Alternate language capability is encouraged.
- 8) Proficiency in verbal and written communication skills.
- 9) Ability to learn and operate MS Office Suite
